SURROUNDING AREA

The immediate Cherry Hill trade area stretches from Gloucester City along the Delaware River to Maple Shade in Burlington County, but Cherry Hill proper is its economic core. A prominent Edge City, Cherry Hill is home to South Jersey's largest super-regional mall as well as a significant cluster of other prominent retail and office space. Cherry Hill's value proposition lies in its road networks; I-295 shuttles traffic through South Jersey and the New Jersey Turnpike connects the region to New York and Wilmington. NJ Route 70 and NJ Route 38 both form major retail and commercial corridors, linking Cherry Hill to nearby Philadelphia. In the western portion of the trade area, I-76/I-676 connect South Jersey with South and Center City Philadelphia.
