

ENTERPRISE & INNOVATION CENTRE

Let's talk... *#RockMe*®

The HALO #RockMe Trading Floor, sponsored by Barclays Eagle Labs, is based on the top floor of the 'HALO Enterprise & Innovation Centre', Kilmarnock, Scotland.

The new world class facility provides various workspace solutions within a thriving community to grow, scale, co-create and develop your business with the help from our #RockMe team, blue-chip commercial and world-renowned academic partners including: Scottish Power, Barclays, Anderson Strathearn, Anderson Anderson Brown LLP, Commsworld, Ayrshire College, Glasgow Caledonian University and more...

The HALO #RockMe Trading Floor has a mixture of creative space from hot desks, collaboration pods, event space to studio office provision. With an urban, colourful and vibrant look, partnered with an abundance of ergonomic styling to ensure an inspired and innovative environment – it could be your place to #Rock and thrive the economy.

Don't base yourself anywhere –
base yourself at HALO.

Eagle Labs

Barclays Eagle Labs are
proud to be working with HALO

The Barclays Eagle Labs network is one of the largest co-working and business incubator networks in the UK, with sites across 24 locations, including Aberdeen and Edinburgh in Scotland. Along with HALO, we will be helping entrepreneurs and ambitious businesses to collaborate, innovate and grow and will work hard to nurture and build local business communities to help the local economy and beyond.

Eagle Labs will bring access to its industry aligned initiatives, including its EnergyTech programme, which brings together leaders from established businesses in the energy sector with industry bodies, universities and start-ups and scale-ups from the sector to help to positively transform the industry and improve how we harvest and consume energy for the future.

Founders will be supported by an onsite Ecosystem Manager who will provide access to mentoring opportunities with business experts, facilitate connections with likeminded founders to support your business growth as well as put on educational workshops, meet-ups and events and give you access to digital learning.

Our investment forms part of the Barclays Rebuilding Thriving Local Economies initiative where we are working with local partners to deliver education, skills, and business support through a five-year commitment to the future of Kilmarnock.

Working with HALO, we will also enhance employability initiatives for individuals in Ayrshire through its LifeSkills programme, which works to give people the knowledge and confidence they need to succeed in work. Whether that's a young person preparing for their first job, or someone wanting to progress in their career or start their own business.

Why HALO #RockMe? Be part of something special.

The HALO Enterprise and Innovation Centre is a low carbon, sustainable building powered by 150 solar panels and part of the LIVE, WORK, LEARN and PLAY, HALO Digital and Cyber Innovation Park. In addition to contributing to a greener, healthier environment, HALO #RockMe Trading Floor members will also be able to access:

- Barclays Eagle Labs and Thriving Local Economies, enabling businesses to benefit from Barclays' on-site technical, training and practical support and collaborate with businesses in Barclays' UK-wide Eagle Labs network
- Access to funding and investor syndicate, including HALO's EIS Fund
- On-site experts including legal, accountancy, intellectual property, PR & marketing, communications, IT and insurance. Provided by our HALO #RockMe partners
- Competitions across the year that will provide the opportunity to engage and collaborate with our partners in addition to cash prizes to support innovation development
- HALO's international partner network of technology and innovation hubs
- Designated areas to collaborate with HALO's blue-chip international partners and high-growth technology businesses to develop technologies at HALO's living lab net-zero carbon test-bed site
- Sector specific training, seminars and conferences from industry and academic experts
- HALO #RockMe 'Car Club' with utilisation of our electric fleet including HALO bus and two electric cars and bikes
- HALO App access that provides everything you need for the digitally led centre and discounts for #RockMe activities across the park
- Grade A office space. A+ energy efficiency centre within a Net-Zero carbon park
- Corporate grade fibre WIFI connection
- Secure 24hr access with alarm system and CCTV
- Accessible toilets with disabled access and changing/shower rooms
- HALO #RockMe Café
- 5GConnect @ HALO Kilmarnock (accelerate your 5G capabilities)
- Outdoor urban landscape with seating provision
- Dedicated car parking with electric car and bike charging points and secure bike storage

Eagle Labs

HALO KILMARNOCK
www.halokilmarnock.com

Day

£30.00
per day

Grab a seat within our hot desk area, get comfortable and take advantage of the HALO #RockMe Trading Floor for the day.

Whether you're needing some creative space to catch up on admin, plan world domination or just to be in an environment with like minded people – our #RockMe Day Package will get you sorted within a dedicated zone with super-fast Wi-Fi and with the #RockMe Café on site to enjoy some lite bites and refreshments.

Go on, come and spend the day with us and our partners. If you're looking for something more permanent, #RockMe Hybrid might be an option...

Hybrid

£300.00
per month

With many businesses and entrepreneurs adopting hybrid models that support a mixture of home and office based working, our #RockMe Hybrid package can help you with the office part with access three days per week.

The HALO#RockMe Trading Floor isn't just any office, it's a world class, collaborative environment that you'll be able to fully utilise. The hybrid package gives you access to storage, meetings rooms, printers and of course super-fast Wi-Fi. The three days are flexible so they work around you and your business needs.

Our hybrid package also gives you access to our HALO #RockMe team, partners and other exclusive benefits including HALO app and events.

Time to hybrid?

NB All pricing includes VAT,
*Price on Application

Grow

£400.00
per month

Your dedicated desk awaits you with 24/7 access, storage, printer and super fast Wi-Fi all set within a Net Zero digital and cyber park.

Not only are you doing your bit for you and your business within a grade A world class office, you're doing your bit for the planet too.

Our #RockMe Grow package gives you full access to our #RockMe team, partners and other exclusive benefits including events, HALO app and use of all the creative spaces across the HALO #RockMe Trading Floor. Time to grow and scale?

Let's talk!

Studios

POA*

If you're looking for your own private office/ studio space for you and your team within the HALO #RockMe Trading Floor, then one of our four stylish and funky studios may be the ideal location.

Starting at 800 sq. ft. the studios boast ceiling to floor windows to maximise natural sunlight, direct access from 2nd floor foyer, car parking spaces, on site #RockMe Café, 24/7 access, super-fast Wi-Fi and all set within a Net Zero digital and cyber park. You will also benefit from our #RockMe team, partners and other exclusive benefits including events, HALO app and use of all the creative spaces across the #RockMe Trading Floor.

Although our studios offer a private space, we're creating an inclusive, collaborative environment, therefore we'd want you to be seen, heard and ready to #Rock with a dynamic, likeminded community

Sound good?

*Minimum of three year lease. Costs depend on studio selection and lease specifics

Events

POA*

Thinking of holding an event or meeting somewhere? Look no further. Welcome your audience to a world class, Grade A office space, A+ energy efficiency centre within Net-Zero carbon park.

Let's tell you what we have... From our Digital Foyer, HALO #RockMe Event Space and HALO #RockMe Boardroom all equipped with the best in technology to wow your audience. We can cater for small to large events, max 100*. Food and drink provision is also available with various options to meet your requirements, from lite bites to something more substantial.

One other important point, the HALO Enterprise & Innovation Centre can light up externally and internally any colour – quite the impact as you welcome your audience to the event. So, which colour?

Make your next event a HALO #RockMe one!

*The price will depend on the selected space and food/drink package

With thanks to our HALO #RockMe Partners

Get ready to be part of [#TomorrowsWorld](#) [#RockMe](#)

We're located in Kilmarnock, Town Centre - adjoining Ayrshire College Campus and Kilmarnock Railway Station, which serves the West of Scotland, North of England and Glasgow Prestwick Airport. There is easy access to Scotland's motorway network and the Bus Station is within walking distance. We have multiple electrical charging points for both electric cars and bicycles. Our HALO Electric bus, sponsored by partners Scottish Power is also available to provide transport to and from the park. If you're ready to know more, and be part of one the most exciting projects in the UK.
