THE OPPORTUNITY

Cushman & Wakefield ULC and Marcus & Millichap REIS Canada Inc. (collectively the "Agent") are pleased to present the opportunity to acquire a 100% freehold interest in Tye Plaza Shopping Centre (the "Property" or "Centre"), located at 1111 Shoppers Row and 1100 Island Highway in Campbell River, British Columbia, directly across from the BC Ferries terminal.

Tye Plaza comprises approximately 91,600 square feet of leasable area and is currently 92.2% leased to a strong cross section of national, regional, and local tenants. Notable tenants include No Frills, Shoppers Drug Mart, and Vancouver Island Health Authority, providing a stable, necessity-based income stream with near-term upside through the lease-up of remaining vacancies.

In addition, the scalable 9.93-acre site offers compelling long-term redevelopment potential in one of Vancouver Island's most established waterfront markets.

INVESTMENT HIGHLIGHTS

GROCERY, PHARMACY & HEALTHCARE ANCHORED CENTRE
Tye Plaza is anchored by No Frills, Shoppers Drug Mart, and Vancouver Island Health Authority, complemented by a strong mix of regional and local operators, creating a necessity-based retail and service hub with low-risk, recurring cash flow and a WALT 5 years and 6 months.

IRREPLACEABLE WATERFRONT LOCATION IN DOWNTOWN CORE
Situating on one of the largest and most visible parcels in downtown Campbell River, Tye Plaza offers dual exposure to Island Highway and Shoppers Row in a central waterfront setting. The Centre serves a trade area of more than 60,000 residents and is surrounded by apartments, hotels, seniors housing, and complementary medical, food, and personal-service uses.

STRONG LEASING FUNDAMENTALS & NEAR-TERM GROWTH
Tye Plaza is 92.2% leased with only 7,000 square feet of vacancy, providing a clear path to full stabilization through targeted lease-up and rent resets. Staggered lease expiries create a steady runway for rental growth and value capture as Vancouver Island market rents continue to grow.

LONG-TERM MIXED-USE REDEVELOPMENT POTENTIAL
Identified in the City of Campbell River's Official Community Plan as a catalyst site for downtown waterfront enhancement, Tye Plaza's 9.93-acre site, zoning, and location support phased mixed-use intensification-including additional residential, hospitality, or commercial density while maintaining stable, interim income.
