TENANT OVERVIEW

Chipotle Mexican Grill, Inc. (NYSE: CMG) is a leading American fast-casual restaurant chain founded by chef Steve Ells in 1993 in Denver, Colorado. Chipotle was one of the pioneers of the fast-casual dining concept and has grown into one of the most recognized restaurant brands in the industry.

Today, Chipotle operates more than 3,900 locations globally across the United States, Canada, the United Kingdom, France, and Germany and employs over 130,000 people. The company's menu focuses on a simple lineup of customizable items including burritos, bowls, tacos, quesadillas, and salads, assembled in a line-production format using fresh ingredients. In addition to its core menu, Chipotle offers a variety of sides and beverages, with select locations also serving alcoholic drinks.

In 2019, Chipotle introduced "Chipotlanes," a digital-order drive-thru concept designed to streamline pickup for mobile and online orders. The format has been highly successful and now represents a significant portion of new store openings as the company continues expanding its digital and off-premise capabilities.

Chipotle continues to deliver strong financial performance, generating approximately \$11.9 billion in total revenue in 2025, reflecting continued same-store sales growth and new restaurant openings. The company remains focused on aggressive expansion and management has expressed confidence in its long-term goal of reaching 7,000 locations across North America.

PHOENIX

AREA OVERVIEW

Population

Phoenix is the fifth largest city in the United States and anchors the nation's tenth largest metropolitan area, with 5.1 million residents. Greater Phoenix encompasses 14,600 square miles and more than 20 incorporated cities, including Glendale, Scottsdale, Tempe and Mesa. Greater Phoenix is the financial, commercial, cultural, entertainment and government center of Arizona.

Maricopa County, in which Phoenix is located, covers more than 14,600 square miles. Its strategic southwest location has made it a major business and distribution hub for aerospace, high-technology, logistics, financial services, bio-science and sustainable technology companies.

Phoenix is a large desert city. Its elevation is 1,117 feet above sea level. The city's horizon is defined by three distinct mountains: South Mountain, Camelback Mountain and Piestewa Peak. It is known for its warm climate, beautiful setting and great cultural and recreational amenities. The timeless Southwestern backdrop is scattered with resorts and spas infused with Native American tradition. Numerous golf courses stay emerald green all year. Mountain parks are criss-crossed with trails and plentiful sports venues host some of the biggest events in the nation. All together, Phoenix makes for the perfect setting for 16 million leisure visitors each year, which is good for business.

The population of Greater Phoenix is 5.1 million and is expected to grow to nearly 6.4 million in the next 20 years. A relatively young region, Greater Phoenix has a median age of 36.6 – 2.3 years younger than the average age nationwide. The population boasts comparatively high-earnings, with an median household income of over \$75,940. This is 4.9% above the national median average household income, which stands at \$72,414.

Employment

The Metro Phoenix employment base has grown rapidly in the past 20 years and currently boasts more than 2 million workers. Projected employment by occupation shows continued strength in the area's professional and technical workforce, with service employment increasing as well. A steady influx of new workers and high graduation levels from the state's largest university, Arizona State University, enrich the quality of labor. Thanks to the variety of universities and technical schools in the area, the pipeline of skilled workers continues to grow.

Metro Phoenix has a diversified base of industries, led by aerospace, high-tech manufacturing, distribution and logistics, financial services and corporate/regional headquarters. Major data processing, credit card and customer service companies are also attracted to Greater Phoenix's telecommunications infrastructure. Phoenix has a predictable climate and low catastrophic risk—no earthquakes, tornadoes or coastal flooding.

Intel, Freescale, Microchip Technology and ON Semiconductor have given Arizona the distinction of being the fourth largest semiconductor manufacturing exporter in the nation.

Phoenix is ranked among the top in the country for its solar and renewable energy sector, and has a rapidly growing healthcare and biomedical industry. With \$1.3 billion in strategic investments over the past 10 years added into its emerging healthcare enterprise and research capabilities, Greater Phoenix is the place for healthcare opportunities.

AREA OVERVIEW

Lifestyle & Entertainment

Dependable sunshine and warm temperatures make outdoor activities a way of life in Phoenix. Golf, tennis, hiking, cycling, mountain biking and rock climbing are popular Phoenix activities. Some of Greater Phoenix's most notable outdoor attractions are South Mountain Park and Preserve, Tempe Town Lake, Camelback Mountain, Desert Botanical Garden, the Tournament Players Club (TPC) and the Phoenix Zoo. Phoenix is also a gateway to the Grand Canyon, just a short three and a half hour drive to America's greatest natural wonder.

Live music including classical, blues, local bands and major concerts are easy to come by, and Downtown Phoenix's First Friday Artwalk is a popular event each month with thousands of attendees. Phoenix is chockfull of local galleries, boutiques and studios.

Greater Phoenix annually plays host to the PGA Tour's Waste Management Phoenix Open at the TPC, NASCAR's March and November events at Phoenix International Raceway, the Rock 'n' Roll Arizona Marathon and college football's VRBO Fiesta Bowl and Guaranteed Rate Bowl. Phoenix has played host to the Super Bowl in 2023, 2015 and 2008 at University of State Farm Stadium, the College Football Playoff National Championship Game in 2016 and the 2017 and 2024 NCAA Men's Basketball Final Four. Phoenix has franchises in three major professional sports leagues: Phoenix Suns (NBA), Arizona Diamondbacks (MLB) and Arizona Cardinals (NFL).

With more than 16 million leisure visitors each year, Greater Phoenix is home to more than 500+ hotels with more than 69,000 guest rooms. That total includes more than 40 luxury resorts. Notable resorts include the JW Marriott Desert Ridge Resort and Spa, the Arizona Biltmore, Westin Kierland Resort & Spa, The Phoenician, Royal Palms, Omni Scottsdale Resort & Spa at Montelucia, Four Seasons Resort at Troon North, Hyatt Regency Resort & Spa at Gainey Ranch, Sanctuary Camelback Mountain, The Camby, The Wigwam, W Scottsdale, and the Fairmont Scottsdale Princess.

Housing

As one might expect in the 10th largest metropolitan area in America, the options for housing are as diverse as the people who live here. You'll find everything from luxury high-rise condos to modest apartments, to mature tree-lined family neighborhoods and brand-new gated communities. The metro area has many distinct neighborhoods and urban "villages" and no home in Phoenix is very far from one of the city's parks. Whether you want the bustle of living in a downtown loft or historic mid-century gem, the comfort of a home in a family oriented neighborhood, or the quiet of a mini-ranch in the beautiful Sonoran Desert, Phoenix is a great place to put down roots.
