14323 FM 529 - BLDG 6 - STE A, HOUSTON, TEXAS

Horsepen Creek Business Park is a seven (7) building light industrial development located in Northwest Houston, just off FM 529. Completed in 2019 by a local Houston developer, the park offers tenants high-quality space with modern construction and convenient access to Houston's fastest-growing residential communities. Key amenities include insulated warehouse space, new office build-outs, and 12' x 14' grade-level doors. Additional features include 3-phase power and excellent site maneuverability across the 6.39-acre development. With close proximity to major thoroughfares such as US 290 and Beltway 8, Horsepen Creek Business Park provides an ideal location for distribution, service, and light manufacturing operations.
