## WHY DOWNTOWN BOULDER?

Downtown Boulder offers an outstanding combination of strong demographics and excellent market factors, all located in one of the most desirable entertainment/shopping districts in the United States. From outstanding demographics to high frequency of usage, Downtown Boulder is one of the best locations in Colorado to place your business for maximum sales opportunity.

- 2.5M SF (30% Retail, 52% Office, 18% Other)
- 51% of customers are Boulder residents
- 49% Male/51% Female
- Strongest market segment: 18-44 year-olds with household income over \$55,000
- 28K+ students & faculty of UC Boulder within 1 mile
- Ample city-owned parking structures, with free parking offered on weekends.

Downtown Boulder is one of the nation's hubs of the new economy and entrepreneurial companies. With over 10,000 employees downtown, the district enjoys the advantages of a built-in market. Employees are in downtown Boulder regardless of the time of year or the weather conditions, making them an active consumer group during traditionally slow times or during inclement weather.
