FLEX

LONGFELLOW

Centerpark Flex is a vibrant new development and refreshed life sciences hub in the heart of San Diego's Sorrento Mesa submarket.

An entirely new type of workspace, Centerpark is all about connections. Its integrated design seamlessly connects the indoors to the outdoors, its open spaces bring tenants together, and its generous amenities blur the line between work and "real life." The dynamic, naturally enhanced campus uplifts the surrounding R&D industrial neighborhood as a beacon of innovation, a place where companies and their employees can thrive, an inviting space to generate community and foster San Diego's most cutting edge ideas and sciences.
