These records documents are electronic files as submitted by the consultant to the client and are available for an acceptance period of 30 days. Any defects in the client documents during this period will be reported to the consultant and will be corrected as part of the consultant's basic scope of services. Correction of defects detected and reported after the acceptance period will be compensated for as additional services.

In addition, the client agrees to the fullest extent permitted by law, to indemnify and hold the consultant harmless from any claims, liability or cost, including reasonable attorney fees and costs of defense, arising from any error or modification of the plans and specifications from or through the effect without the prior written authorization of the consultant. The consultant makes no warranties, either express or implied, of MERCHANTABILITY and fitness for any particular purpose. In no event shall the consultant be liable for any loss of profit or any damages.
