FLOOR PLAN – SUITE 200 (11,354 RSF)

NOT TO SCALE – This floor plan is provided for general layout and conceptual reference only. It is not intended to depict exact dimensions, areas, or construction details.

RENTAL TERMS

This is a below-market sublease opportunity with rental terms intended to follow the existing Master Lease schedule. The Master Lease rent and related rental obligations will serve as the baseline for the sublease economics.

Because the space is already being offered below market, the rental rate is not intended to be negotiated downward.

Prospective sublessees should review the Master Lease terms as part of their due diligence prior to finalizing any sublease.

SUBLEASE IS SUBJECT TO MASTER LEASE TERMS

- Sublessee must be approved by Landlord
- No daycare use permitted
- Weekday music restrictions apply per Master Lease
- All terms, conditions, restrictions, and obligations of the Master Lease apply
