Bend, OR

Location

Situated on the eastern edge of the Cascade Range along the Deschutes River, Bend joins forested mountain highlands and high desert plateaus, offering a diverse range of scenery and outdoor activities. The largest city in Central Oregon, Bend, is the commercial, recreation and social center of the tri-county region and also serves as the county seat of Deschutes County. It covers 32 square miles and sits at an elevation of 3,625 feet. Bend is noted for its scenic setting and year-round recreational activities.

Lifestyle

Bend has a deserved reputation for attracting lifestyle migrants- urban dwellers who seek amenities typically associated with a larger metropolitan area, but yearn for the recreational pursuits of the great outdoors, a beautiful setting, and an accessible community feeling. As such, the city attracts families and entrepreneurs from all of the West Coast metro areas and some from other major population centers. Many residents remark that despite its population size of 82,000, Bend has retained its small-town atmosphere and 'feels' smaller than its size would suggest. The city has been adopted as a gateway for many outdoor sports including mountain biking, skiing and snowboarding, dog sled racing, fishing, hiking, rock climbing, white-water rafting and golf. There is also a sizable cluster of individuals drawn to Bend for artistic pursuits. Bend's beer brewing industry and restaurant scene is also a draw for tourists and locals

Economy

Economically, Bend started as a logging town but began a transition to a more varied sustainable economy in the 1980's when it became apparent that the lumber mills were no longer vital. Unlike resort communities such as Aspen or Jackson Hole, Bend's lifestyle and quality workforce draw many successful companies in the aviation, manufacturing, renewable energy, high-tech, healthcare and recreation equipment sectors. Many of Bend's companies are owner-operated in the small to midsize range, typically with 10 to 15 employees. Companies like Breedlove Guitars, G5 Search Marketing, Deschutes Brewery, Hydro Flask and Bend Research provide solid employment and bring in vital traded-sector dollars to Bend's economy.
