business space

Welcome to Nexus Business Space

Nexus Business Space is a luxury, independently owned serviced office company providing fully furnished and serviced office spaces, bespoke serviced office spaces, and virtual office packages in the heart of Scotland's capital city, Edinburgh.

Our Edinburgh portfolio is comprised of multiple townhouses on Young Street, which we effectively operate as one business centre. Our historic buildings, originally built for Scotland's wealthy merchants over 200 years ago, have been converted for the digital age and professionally interior decorated.

Located in the heart of Edinburgh's business district, our offices are perfectly positioned in a prime city centre location, with unbeatable access to transport links and first-class amenities. This is workspace without compromise.

Private offices available to accommodate 2 to 30 workstations.
