Property Overview

This 12,000 SF property situated on two fully concrete-paved acres offers exceptional functionality and versatility for a wide range of users. Constructed with durable I-beam framing, cinderblock walls, and a stucco and sheet metal exterior, the building is designed to support heavy operations with 480-volt, 800-amp electrical service and a wet sprinkler and fire alarm system that is fully up to code. Recently renovated in 2026!

The interior includes multiple open and partitioned areas, two multi-stall restrooms near the main entrance, an upstairs restroom with a shower, two stages, and a second-floor mezzanine suitable for office or storage use. A small gated yard behind the building provides secure outdoor access. Recent improvements include new ceiling tiles, fresh interior and exterior paint, LED interior and exterior lighting upgrades, professionally cleaned floors, updated fire extinguishers, and a recently recoated roof section. With ample parking, easy truck access, and strong infrastructure, this occupant-ready property is well suited for event, industrial, or flex users.
