Shop with First Floor Ancillary Residential
908 sq ft (84.35 sq m)

2A Peveril Road, Sholing, Southampton, Hampshire, SO19 2DW

Description

This is a two-storey detached building. The ground floor comprises a shop unit, which has been in long-term use as a takeaway, with a sales area and rear preparation space. The first floor provides ancillary residential accommodation, currently arranged as three rooms and a bathroom, with a separate side access.

The layout and side access suggests potential, subject to planning permission, to reconfigure the ancillary accommodation into a self-contained one-bedroom flat, with the installation of kitchen facilities.

The shop could suit a variety of occupiers, subject to planning permission, and benefits from 3 phase power, LED lighting and cooking equipment. There is a rear access into the preparation area.

The property also benefits from free on-street parking available 24/7. There are WC facilities on both the ground and first floors.
