South Orange County

THE CUSTOMER AND MARKET OVERVIEW

South Orange County consists of approximately half a million residents with a median income of over \$100K. The region is characterized by its beautiful beaches, abundant outdoor spaces, excellent schools, and upscale neighborhoods where residents enjoy a high standard of living. Cities like Newport Beach, Laguna Beach, and Dana Point feature multimillion dollar estates, gated communities, and waterfront properties attracting discerning homeowners seeking luxury living and scenic views. Whether relaxing on a beach, exploring one of the many hiking trails, or dining in-style, this coastal paradise promises an unforgettable experience to residents and tourists alike.

Key drivers that make **South Orange County** an attractive market for both restaurants and retailers include its strong economy, affluent customer base, and steady stream of tourists. The region's strong sense of community and support for local businesses further support its retail appeal. In addition, South County is home to a number of luxurious hotels such as The Montage Laguna Beach, Waldorf Astoria Monarch Beach, and The Ritz-Carlton Laguna Niguel.

As a master planned community boasting significant residential density, **South Orange County** presents itself as an underserved retail market. Local consumers currently face the inconvenience of leaving their community to access superior retail offerings located along the coastline. We view this as an incredible opportunity to elevate the overall restaurant and retail experience at Aliso Village.

Merchandising Vision

The current retail landscape in South Orange County contains a noticeable absence of an exceptional shopping experience. Despite the affluent demographic, residential density, and idyllic SoCal weather, consumers are limited to dated strip centers and indoor shopping at the County's regional mall. Residents are actively seeking an experiential and vibrant shopping destination that includes relevant, contemporary brands reflecting their lifestyle and fashion preferences.

The overarching need for an exceptional retail experience presents **Aliso Village** with an incredible opportunity to elevate the current merchandising mix and capture top-tier retail and restaurant concepts.

Aliso Village

Aliso Village is a dominant grocery-anchored shopping center located in South Orange County. The project consists of 111,826 SF of curated retail, wellness shops and an array of dining options. Aliso Village is located at the heavily trafficked intersection of Aliso Creek Rd and La Paz Rd. The location boasts easy access to the 73 highway and 5 freeway and overall, offers immense convenience to residents and visitors alike.
