Class A office space located in the heart of Roseville

Positioned in the heart of Roseville's premier retail and office corridor, 990 Reserve Drive offers a rare opportunity to acquire Class A office condominiums within walking distance to the region's most dynamic amenities. The building features modern stone and glass architecture, a prominent entry with water feature, and an inviting outdoor seating environment that enhances the overall tenant experience. The offering provides in place improvements delivering a functional mix of private offices and open workspace, complemented by strong natural light from extensive perimeter window lines.
