Set on 3.63 acres near trails, golf, and lakes, this beautifully remodeled home (2015–2016) offers a perfect blend of luxury and function. The updated exterior features LP SmartSide siding, stone accents, stamped concrete, seamless gutters, and custom soffit lighting. Inside, enjoy an open layout with hardwood floors, a stunning kitchen with granite island, double ovens, and hidden access to the mudroom/laundry. The main level includes a golf simulator/theater room and wet bar—ideal for entertaining. The primary suite features heated tile floors, a spa-like shower, soaking tub, and custom walk-in closet. Upstairs offers a cozy bonus area and three bedrooms with a Jack-and-Jill bath. The lower level includes a game room, full wet bar, and space for recreation. Outdoor living shines with a screened porch with motorized screens, built-in speakers, landscaped yard, sprinkler system, and basketball court. The heated, finished garage includes epoxy floors, floor drain, and hot/cold water. Bonus: a massive outbuilding with 11,400 square feet of storage, offices, kitchen, bathrooms and multiple overhead doors—perfect for a business or hobby space. Dual zoning allows residential and commercial use—live, work, and earn all in one property!
