Description

The property comprises a detached high-bay warehouse that is of single-storey brick construction and around a steel portal frame and underneath a multi-pitched insulated profile clad roof that incorporates translucent roof lights. Internally, the accommodation provides open plan warehousing with solid concrete flooring and racked out with steel storage shelving, having most recently been occupied by Clarks Shoes and Hayes as a distribution centre. The minimum eaves height is approximately 5.44 metres rising to 8.04 metres at the apex of the steel frame and the unit benefits from modern LED warehouse lighting. Electric steel roller shutter doors (3.01m H x 2.84m W) The property has now been split into 3 separate units. Externally there is a tarmacadam yard to the front secured by steel balustrade fencing and double vehicle gates.

Location

Mealbank Trading Estate is an established commercial development around two miles to the north east of the market town of Kendal. The attractive rural location and hamlet benefits from good access to the A6 which is around 1/2 mile to the west of the A685 Appleby Road that is circa 400 metres to the south, both providing direct routes into Kendal. From the A65 J37 of the M6 can be reached within 6 miles or alternatively, J38 and Shap is accessed directly from the A6, approximately 10 miles to the north.

Kendal is the principal town of South Lakeland and is situated just outside of the southern boundaries of the Lake District National Park, only 6 miles from J36 & J37 of the the M6 Motorway. The town has a resident population of 29,495 and is a popular tourist destination being 10 miles south of Windermere and the gateway to the Lakes. the town has a weighed retail catchment in excess of 50,000 people and a greater district catchment in excess of 102,000.
