Vilonia, Arkansas

Located in rapidly growing Faulkner County, Vilonia is one of Central Arkansas' most attractive emerging retail and residential markets. Situated approximately 15 miles east of Conway, 20 miles north of Cabot, and less than 35 miles from downtown Little Rock, the community offers convenient access to major employment centers while maintaining its small-town character and highly regarded school system.

Vilonia's population has more than doubled since 2000, while Faulkner County has emerged as one of Arkansas' fastest-growing counties and now exceeds 134,000 residents. A major driver of Vilonia's growth is the highly regarded Vilonia School District, which serves more than 3,100 students across a growing multi-campus system. The district is one of the area's largest employers and has invested millions of dollars into facility improvements, technology upgrades, and campus modernization projects to accommodate continued enrollment growth.

In 2023, community leaders established the Vilonia Community Development Corporation to actively recruit new businesses, support entrepreneurs, and promote commercial investment throughout the city. These efforts have already produced tangible results, with numerous new businesses opening in recent years, including national brands and locally owned retailers, restaurants, professional service firms, and entertainment concepts.

Supported by strong demographics, expanding rooftops, an award-winning school system, and its strategic location between Conway, Cabot, and Little Rock, Vilonia is positioned for continued commercial growth and long-term economic success.
