©Jameson Real Estate Brokerage LLC. All information provided herein is from sources deemed reliable. No representation is made as to the accuracy thereof & it is submitted subject to errors, omissions, changes, prior sale or lease, or withdrawal without notice. Projections, opinions, assumptions & estimates are presented as examples only & may not represent actual performance. Consult tax & legal advisors to perform your own investigation.

LEAD WARNING STATEMENT

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligent quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property may be required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based hazards. A risk assessment or inspection from possible lead-based paint hazards is recommended prior to purchase.

HAZARDOUS MATERIALS DISCLOSURE

Various construction material may contain items that have been or may in the future be determined to be hazardous (toxic) or undesirable and as such may need to be specifically treated, handled or removed. For example, some transformers and other electrical components contain PCB's, and asbestos has been used in components such as fire-proofing, heating and cooling systems, air duct insulations, spray-on and tile acoustical materials, linoleum, floor tiles, roofing, dry wall and plaster. Due to prior or current uses of the Property or the area, there may be hazardous or understandable metals, minerals, chemicals, hydrocarbons or biological or radioactive items (including electric and magnetic fields) in soils, water, building components, above or below ground containers or elsewhere in areas that may or may not be accessible or noticeable. Such items may leak or otherwise be released. Real estate agents have no expertise in the detection or correction of hazardous and undesirable items. Expert inspections are necessary. Current or future laws may require clean up by past, present and/or future owners and/or operators. It is the responsibility of the Buyer to retain qualified experts to detect and correct such matters and the consult with legal counsel of their choice to determine what provisions, if any, they may wish to include in transactions documents regarding the Property.

AMERICANS WITH DISABILITIES ACT

The United States Congress has recently enacted the Americans with Disabilities Act. Among other things, this act is intended to make many business establishments equally accessible to persons with a variety of disabilities. As such, modifications to real property may be required. Federal, state and local laws, codes and regulations also may mandate changes. The real estate brokers in this transaction are not qualified to advise you as to what, if any, changes may be required now, or in the future. Owners and tenants should consult their attorneys and qualified design professionals of their choice for information regarding these matters. Real estate brokers cannot determine which attorneys or design professionals have the appropriate expertise in this area.

STATE OF ILLINOIS DUAL AGENCY DISCLOSURE

The State of Illinois has enacted regulations relative to disclosure of representation. In all transactions relative to the Property, Essex Realty Group, Inc. is representing the Owner. However, in any situation where there is not a cooperating broker representing the purchaser, Essex Realty Group, Inc. is deemed to also be representing the purchaser. Representing more than one party to a transaction presents a conflict of interest since both clients may rely upon the Licensee's/Agent's advice and the client's respective interest may be adverse to each other. Licensee/Agent will undertake this representation only with the written consent of ALL clients in the transaction. Any agreement between the clients as to a final contract price and other terms is a result of negotiations between the clients acting in their own best interest and on their own behalf. Seller hereby acknowledges that Licensee/Agent has explained the implications of dual representation, including the risks involved, and understand that you have been advised to seek independent advice from your advisors or attorneys before signing any documents in this transaction.

WHAT A LICENSEE / AGENT CAN DO FOR CLIENTS WHEN ACTING AS A DUAL AGENT:

1) Treat all clients honestly; 2) Provide information about the Property to the Buyer; 3) Disclose all latent material defects in the Property that are known to Licensee/Agent; 4) Disclose financial qualification of the Buyer to the Seller; 5) Explain real estate terms; 6) Help the Buyer to arrange for Property inspections; 7) Explain closing costs and procedures; 8) Help the Buyer compare financing alternatives; 9) Provide information about comparable properties that have sold, so both clients may make educated decisions on what price to accept or offer.

WHAT A LICENSEE / AGENT CANNOT DISCLOSE TO CLIENTS WHEN ACTING AS A DUAL AGENT:

1) Confidential information that Licensee/Agent may know about the clients, without that client's permission. 2) The price the Seller will take other than the listing price without the permission of the Seller; 3) The price the Buyer is willing to pay without the permission of the Buyer; 4) A recommended or suggested price the Buyer should offer; 5) A recommended or suggested price the Seller should counter with or accept. If either client is uncomfortable with this disclosure and dual representation, please let the Licensee/Agent know. You are not required to sign this document unless you want to allow the Licensee to proceed as a Dual Agent in this transaction. By initialing below, you acknowledge that you have read and understand this form and voluntarily consent to the Licensee/Agent acting as Dual Agent, should that become necessary.

NEITHER SELLER NOR AGENT IS MAKING AND HAS NOT, AT ANY TIME, MADE ANY WARRANTIES OR REPRESENTATIONS OF ANY KIND OR CHARACTER, EXPRESSED OR IMPLIED WITH RESPECT TO THE PROPERTY. CONTEMPORANEOUS OFFERS
