CENTRAL OREGON

LIFESTYLE

Central Oregon offers a rare mix of city amenities and restful isolation, including the slower speed of a small town with a medical community and infrastructure not normally seen in a region of its size. Additionally, Central Oregon residents maintain a work/life balance that is difficult to achieve elsewhere.

EDUCATION

Central Oregon is well-recognized for its high level of education, with some of the best K-12 public schools in the nation. In 2020, the Bend-La Pine school district's average SAT scores surpassed the national average by over 130 points. Additionally, the region's higher education opportunities abound. From the new Oregon State University-Cascades to Central Oregon Community College's four campuses in the region, there are opportunities for all to obtain a quality education.

AIRPORT

Redmond Municipal Airport provides commercial air service with daily non-stop flights to Burbank, Denver, Los Angeles, Phoenix, Salt Lake City, San Diego, San Francisco, Santa Rosa, and Seattle via carriers American, Alaska, Avelo, Delta, and United. The airport is undergoing a \$5.2 million expansion to meet the rising demand for transit in and out of the region.
