

CITY OF TAMPA

BUILDING PERMIT

Permit Number: BLD-25-0512728

Issue Date: 6/18/2025

Project Location: 2501 N 55th St Unit 1, Tampa, Florida 33619

Issued to: WILLIE R MCMILLAN MCMILLAN SONS AND ASSOCIATES

Permit Type: Residential New Construction and Additions (1 and 2 Family)

Building Official: John (JC) Hudgison

Description of Work:

New 2 story townhouse Unit 1, attach garage, porch

Required Trades

Building

Mechanical

Electrical

Plumbing

Fire

IMPORTANT NOTE: In order to obtain inspections, you must provide a hardcopy of the approved construction drawings, when applicable, for your inspector on the job site (min 18" x 24"). Signs, aluminum enclosures, DCA approved structures and sheds may be on 11" x 17" size.

Projects located in a FEMA Special Flood Hazard Area (SFHA) will require inspections by City of Tampa staff for all elements below the Design Flood Elevation (DFE) prior to the concealment of any work. Additionally, City staff will perform a final inspection on all projects in a SFHA.

Notice: A Bld-Pre-Construction Inspection is required prior to starting work and after the Erosion and Sediment Control, tree protection, sanitary facilities and permit documentation is in place. This is applicable on New Construction/Additions as well as most projects where the footprint of the property is being altered by adding to a structure, and/or the nature of the work being performed has the potential to impact adjacent properties. Contact the Inspections staff at CSDInspections@Tampagov.net or visit our website, for additional information.

**Permit Card Must Be Posted and Properly Maintained In A
Conspicuous Location at the Job Site Throughout the
Construction Project**
