A look at MidTown Nevada

MIDTOWN
DISTRICT RENO

The heart of Reno and home to over 250 businesses

The MidTown district continues to boost the Reno economy by bringing together entrepreneurs and business developers in the area. Through a mix of redeveloped buildings and residential conversions, retailers and office users have brought their ideas to life, collaborating and inspiring the community. Annual events hosted by the business and property owners in the area promote engagement throughout Reno and Sparks.

Over the past five years, MidTown has increasingly become a go-to spot for investors. While many of the properties in this part of town were built in the early 1900's, developers have focused on renovating the buildings bringing modern art and architecture to the building.
