## Trade Area Overview

Port Salerno is a historic waterfront fishing village located in southern Martin County, Florida and centered around the highly desirable Manatee Pocket Marina District. The area has become one of the Treasure Coast's most vibrant mixed-use waterfront destinations, known for its restaurants, marinas, boutiques, breweries, live entertainment, art galleries, and boating lifestyle.

The property is strategically positioned near the intersection of SE Salerno Road and Dixie Highway with convenient access to US Highway 1, Interstate 95, and the Florida Turnpike. This central location allows tenants to efficiently serve Stuart, Palm City, Jensen Beach, Hobe Sound, and the surrounding Treasure Coast markets.

Nearby attractions including Sandsprit Park, the Manatee Pocket waterfront, local marinas, and the Atlantic Ocean continue to drive tourism, marine activity, and residential growth throughout the area. The surrounding population also benefits from strong household incomes and an established residential base, making Port Salerno an attractive location for both local-serving and destination-oriented businesses.

# County Overview

## Martin County, Florida

Martin County is one of 67 counties in Florida and was established by an Act of the Florida Legislature in 1925. It was named for John W. Martin, Governor of Florida from 1925 to 1929. By the authority of the Constitution of the State of Florida, the Martin County Board of County Commissioners shares the functions of government with Martin County's Constitutional Officers.

The Board of County Commissioners has responsibility for the provision of general government services (fire/rescue, library services, building inspections), oversees the development of infrastructure (roads, utilities, parks), and determines regulations regarding zoning and land use provisions. The Board is also responsible for determining the millage rate (tax on real property) to fund all functions of County government with the exception of the Tax Collector and most court-related functions. Martin County's five Commissioners are each elected to serve a four-year term. These terms are staggered and each member is elected at-large but represents a geographic district within the county. The Chairperson of the Commission is elected annually by the other Board members and presides over all Board meetings.

The county has a population of around 160,000 and has experienced growth of over 15% since 2000. Several top employers that are headquartered in Martin County include Cleveland Clinic Martin Health Systems, Paradigm Precision, Triumph Aerostructures, and Seacoast Bank. The Martin County School District is consistently ranked among the highest performing school districts in the state.

The Martin County Parks and Recreation Department manages a very diverse parks system with more than 1,700 acres of public land, consisting of 77 active and passive parks that include community and regional parks, beaches and causeways, a public golf course, a waterpark and competitive aquatic center, a 55-acre campground, two beachside cafes, skate parks, athletic fields, historic buildings, community centers and much more.

# About NAI Southcoast

Southcoast brings industry leading resources to its brokerage services and property management services. Speed, agility, and keen insight are hallmarks of our services. The result is connecting properties with our exclusive list of investors. NAI Southcoast services rely upon the skills and insights of our experienced team of brokerage, marketing and data resource management professionals. Our process begins with an internal launch meeting that unifies client's objectives with marketing and sales strategies. This launch begins a process that involves the following phases:

- Comprehensive Property Profile - competitive review and capital market summary
- Marketing Promotional Strategy Development - advertising, direct mail, email, html flyers, web listings, and a public relations tactical outline
- Sales Planning & Execution - database profile analysis, identification of network connections, and direct contact with an exclusive list of buyers
- Client Communication - communication of progress through regularly scheduled activity reports and updates
- Maximum Price - the result is the capitalization of market dynamics to achieve a competitive bid environment in order to maximum sale price

NAI Southcoast's key point of differentiation in our services is the volume of strong relationships we have established with institutional, local, regional and national private equity firms, life companies, and owner/investors. We created and maintain a database of property and investor profiles that encompasses portfolio details and acquisition criteria of these nationwide firms.

The information gathered and analyzed by the NAI Southcoast's team allows us to utilize the speed and the efficiency of technology to promptly connect our investors and institutional partners with properties that correspond to their acquisition requirements. Our clients have access to more opportunities and can make faster and better decisions armed with targeted information.
