Colliers

±69,561 SF Full Building Plug & Play Office For Lease

property overview

827 W Grove Ave sits in the heart of Mesa's Fiesta District, one of the East Valley's established commercial corridors near the intersection of Alma School Road and Southern Avenue. A full diamond interchange at US 60 and Alma School Road puts the property minutes from direct freeway access, keeping it well connected across the greater Phoenix metro. The property is located adjacent to the Palo District, a new \$2.5 billion mixed-use entertainment hub currently under construction. The surrounding area offers abundant restaurants and amenities within walking distance, and the location provides convenient access to the Southeast Valley's deep labor pool and demographics — making it a well-positioned option for businesses looking to establish or expand in Mesa.

mesa fiesta district

Encompassing 1.15 square miles, the Fiesta District is reemerging as one of Mesa's important business districts featuring cutting-edge industry clusters, a skilled workforce, easy market access, extensive infrastructure, and ample executive hotel accommodations. Over the last decade nearly \$700 million has been invested in infrastructure, redevelopment, and new development in the Fiesta District. With new Class A office space, strategic redevelopment, and adaptive-reuse opportunities available, the district is ripe for companies to locate and expand.

Home to healthcare and medical services, advanced business and financial services, higher educational institutions, as well as retail and entertainment.

palo district

Palo District, the planned redevelopment of the Fiesta Mall site in Mesa, has announced the first phase of the development will focus on a Women's Health Campus. The Women's Health Campus will be in partnership with BlueCross Blue Shield of Arizona and Plaza Companies. The new campus will feature a Women's Sports Center designed to support athletic excellence, research, training and community recreation tailored to women and girls. Planned facilities include performance training, sports medicine, recovery and multidisciplinary programs informed by research on women's physiology. In addition to the Women's Health Campus, the Palo District redevelopment will include 4,000 housing units, up to 1.85 million square feet of retail and commercial space and over 500,000 square feet of open space. A Major League Soccer stadium has also been proposed for the development.
