This dataset has been created for illustrative purposes only. Although every effort has been made to produce the most current, correct and clearly expressed data possible, all geographic information has limitations due to scale, resolution, date and interpretation of the original source materials. This dataset is based on data collected from various sources that can change over time and without notice. Therefore, the dataset provided is not intended to replace any official source. You should not act or refrain from acting based upon this feature class without independently verifying the information and, if necessary, obtaining professional advice. The burden of determining the accuracy, completeness, timeliness of information rests solely on the user. Any property within the City limits of Tulsa can obtain an official flood zone determination by contacting the Customer Care Center at (918) 596-2100. You will need to provide your street address and legal description.
