INVESTMENT OVERVIEW

PROPERTY HIGHLIGHTS

WB Realty is proud to present for sale the 12th St Warehouses and Self-Storage facility, a 33,436 square foot industrial property in the heart of Marshalltown, IA. The property features six separate warehouses, five of which serve as owner/user or leased general warehouse space, with one remaining building serving as self-storage. Additionally, there is a long-term Verizon Wireless land lease for a cell tower, providing stable income.

Located on over five acres, there is plenty of room for additional buildings, or to be used as outdoor storage.

This property provides many different opportunities, from owner/users to potential boat/RV storage.

INVESTMENT OVERVIEW

MARKET OVERVIEW

Marshalltown, Iowa serves as the county seat of Marshall County and is strategically located in Central Iowa approximately 50 miles northeast of Des Moines and 40 miles southeast of Ames. Positioned along U.S. Highway 30 and intersected by key regional transportation routes, Marshalltown functions as an important commercial and industrial center for the surrounding region.

The local economy is supported by a well-established base of manufacturing, food production, logistics, and industrial employers. Major companies such as JBS USA, Lennox International, Emerson (Fisher Controls), and other regional manufacturers maintain significant operations in the community. In addition, the presence of Marshalltown Community College contributes to workforce development and educational opportunities within the area. Together, these institutions provide a diverse employment foundation that supports steady population and housing demand.

Marshalltown has continued to benefit from both private and public investment, including downtown revitalization efforts, infrastructure improvements, and ongoing industrial activity. The community offers a full range of retail, healthcare, and professional services, serving both local residents and the broader Marshall County trade area.

With a population of approximately 27,000, Marshalltown maintains the characteristics of a stable regional center while remaining closely connected to larger employment hubs in Central Iowa. Its combination of established industry, transportation access, and community amenities supports continued economic activity and residential demand across the market.
