THE SITE

PARCELS VARY IN SIZE FROM 0.95 - 18.94 +/- ACRES

KEY HIGHLIGHTS

- Flexible zoning
- City sewer and water
- Property Uses:
 - Industrial, Logistics & Manufacturing
 - Life Science & Healthcare
 - Retail & Commercial
 - Flex Space

LOCATION ADVANTAGES

- In Progress Park, hub for research, life sciences, and innovation
- Fronting heavily traveled US-441 (among other roadways)
- Centrally positioned between Gainesville, Jacksonville, Orlando, and Tampa
- 14.3 miles from Gainesville Regional Airport for travel, shipping, and talent access
- Strong infrastructure within a thriving business community
- Access to a robust labor force of skilled specialists and local labor force

MARKET & GROWTH DRIVERS

- 37,854 households within 10 miles; avg. income: \$125,074
- The Convergence mixed-use project (1 mile away) adding 1,000 new homes
- Trailhead Landing by Lennar (0.7 miles away) nearly complete
- Growing residential base driving demand for logistics, distribution, and services
- Additional adjacent residential developments in planing and permitting

Ideal Location For

INDUSTRIAL, LOGISTICS & MANUFACTURING

- **Warehouse & Manufacturing:** Ideal for logistics and distribution companies looking to optimize supply chains.
- **E-Commerce:** Perfect for businesses needing to streamline fulfillment and shipping operations.
- **Food & Beverage:** Suited for distributors requiring storage combined with sales operations.

LIFE SCIENCE & HEALTHCARE

- **Bioscience & Laboratory:** specialized space for research and development.
- **Medical Facilities:** Appropriate for clinics or specialized medical practices.

RETAIL & COMMERCIAL

- **Daily-Needs Retail:** High-visibility space for consumer goods and services.
- **Quick-Service Restaurants:** ideal locations for fast-casual dining concepts.
- **Essential Services:** Suitable for early education centers.

FLEX SPACE

- **Hybrid Operations:** Tailored for local businesses that require a combination of professional office environments and functional warehouse capabilities.

AREA MAP: TRADE AREA

The Convergence is a major development underway in Alachua, Florida. It's a 420-acre project designed to be a hub for science and technology research companies, offering a mixed-use sustainable community with residential housing, commercial space, and recreational amenities.

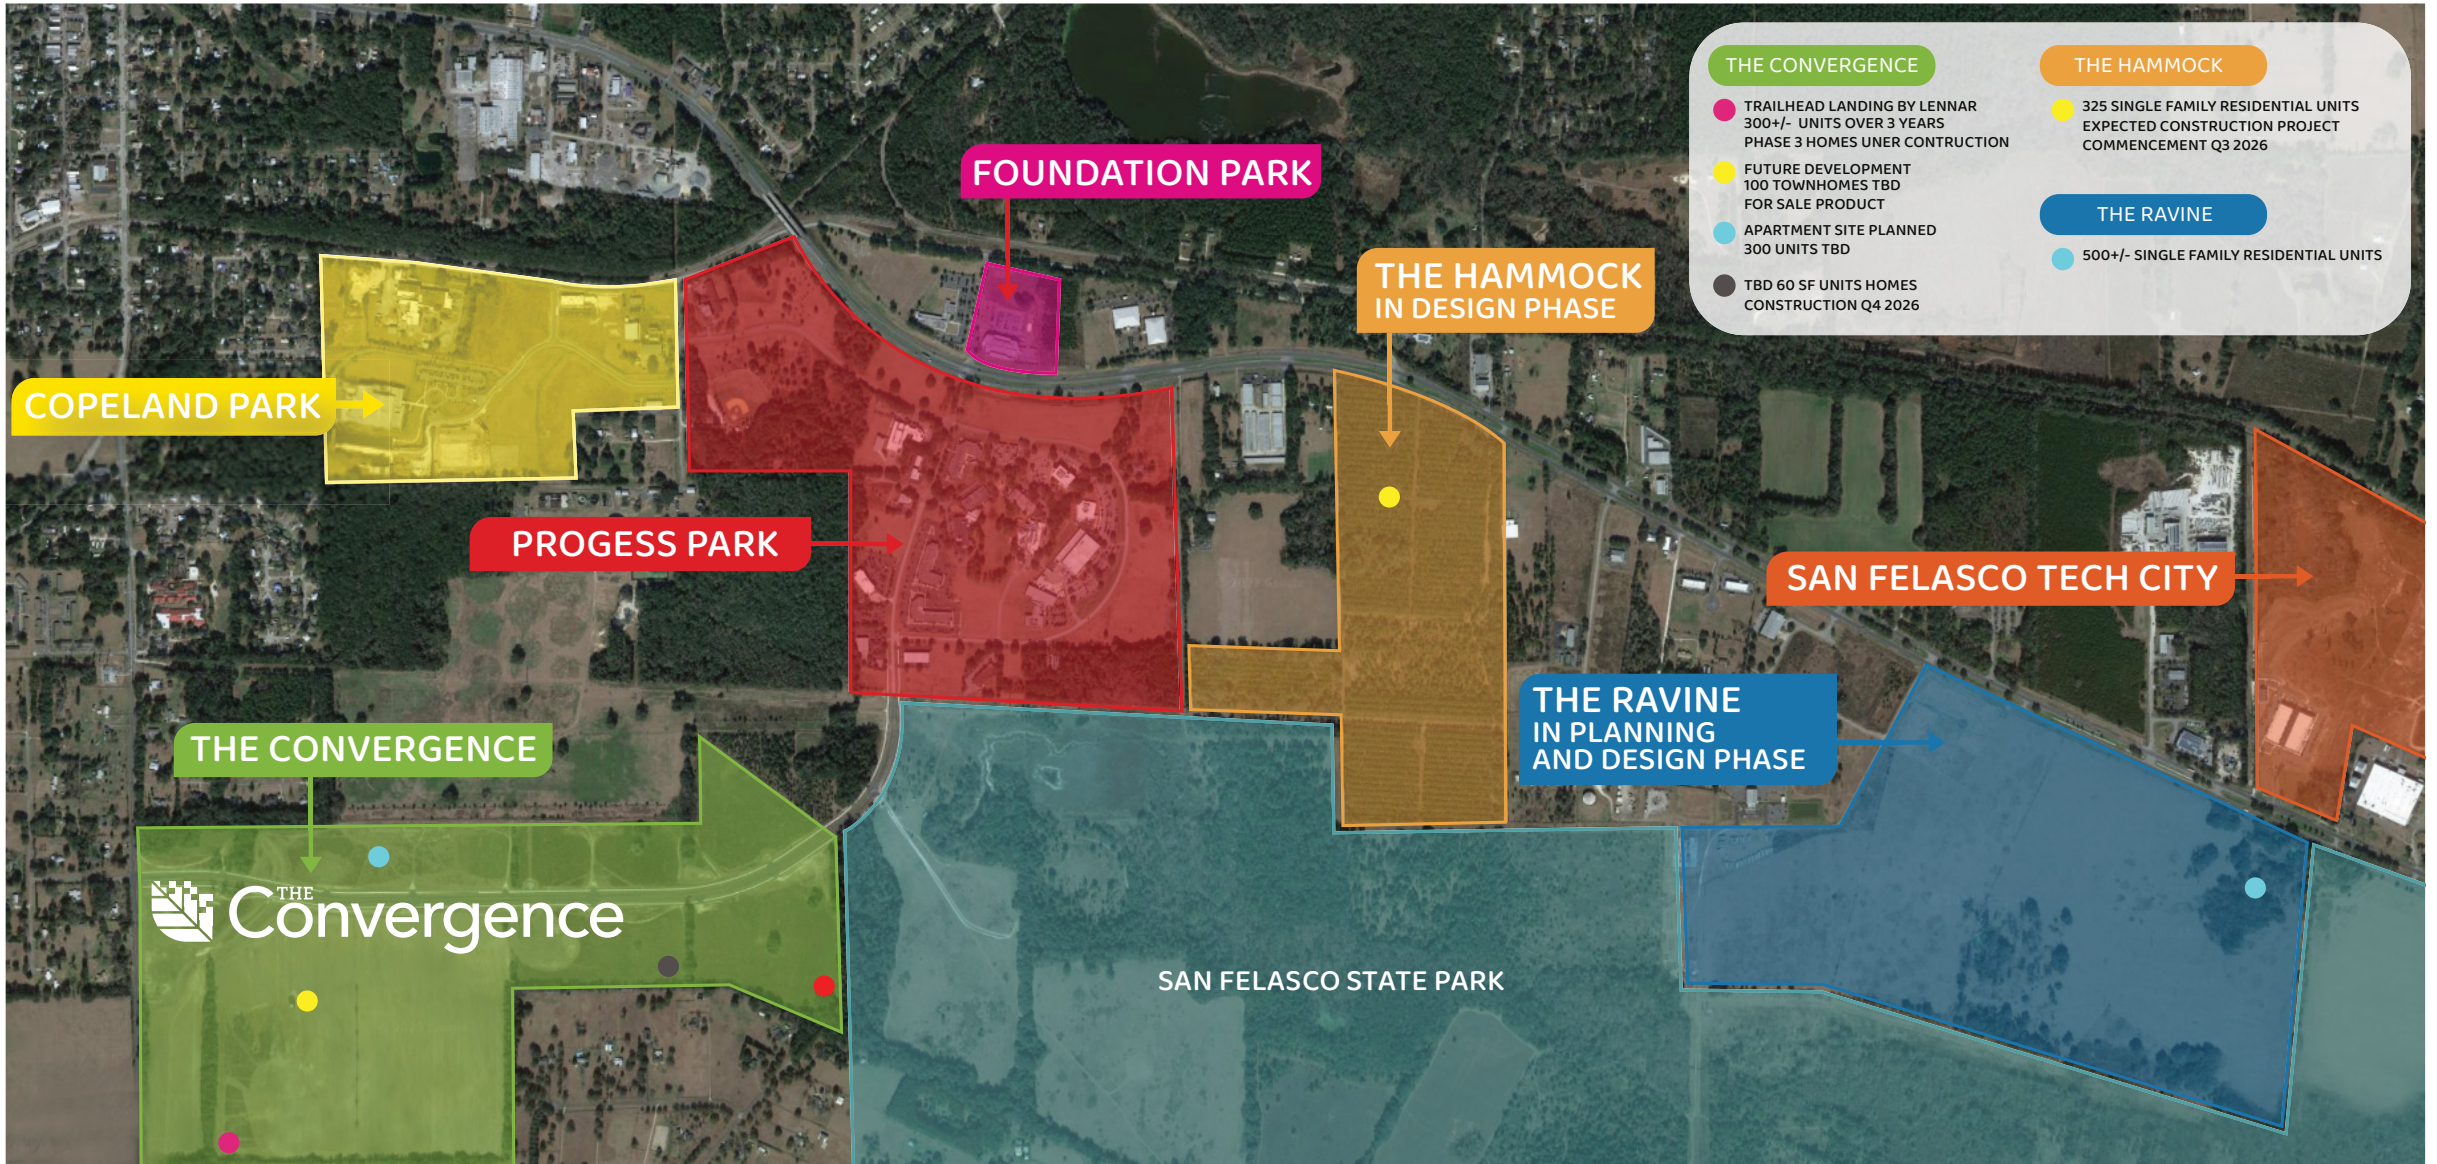

11 parcels are available in Progress Park, located within the state's largest biotech cluster. This prime location in the Progress District offers a **strategic opportunity for quick-service restaurants, medical facilities, daily-needs retail, or early education centers.** Position your project in a high-growth hub designed to serve the state's leading professional workforce.

AVAILABLE PARCELS FROM 0.95 TO 18.94 +/- ACRES

AREA MAP: THE REGION

CITY OF ALACHUA

- Part of the Gainesville MSA.
- Proximity to Gainesville, home to University of Florida.
- Highly educated workforce.
- U.S. Hwy 441 and I-75 run through City of Alachua (adjacent to Copeland Park), offering good transportation connectivity.
- City of Alachua is home to the Sid Martin Biotechnology Incubator (now UF Innovate | Accelerate), which is well-known for supporting early-stage life sciences companies and startups, benefiting from the University of Florida's resources.
- Santa Fe College Perry Center for Emerging Technologies located in the City of Alachua (adjacent to Copeland Park) offers training and resources for those interested in pursuing careers in the life sciences.

ALACHUA COUNTY

Alachua County is in North Central Florida. Alachua is a growing city for Florida's research industry and home of the Progress District, and the city of Gainesville serves as Alachua County's commercial and academic hub. Alachua County has a population estimates around 291,782. The county has over 112,776 households and has seen an 0.97% growth in the past year.

Residents of Alachua County enjoy world-class museums, performing arts, and live music. The county is home to eight state parks with more than 100 miles of trails for biking, birding, and hiking, or cooling off in crystal-blue freshwater springs.
