Marcus & Millichap is pleased to exclusively offer for sale Cypress Station Square, a 137,565-square-foot shopping center, located at the northwest corner of Interstate 45 and FM 1960 Road in Houston, Texas. The retail center and retail pad sites sit on 12.19 acres with approximately 850 feet of frontage on Cypress Creek Parkway (FM 1960 Road). Cypress Station Square sees approximately 75,000 vehicles per day on Cypress Creek Parkway and over 200,000 vehicles per day on Interstate 45.

An investor will enjoy day one positive cashflow, even in the current interest climate, while still benefiting from leasing vacant units. In addition, an investor will also benefit from rent increases in many tenants' current lease terms, as well as rent increases in leases with renewal options. Many leases have below-market rental rates (some affordable leases of non-box spaces range from \$1.00-\$1.50 per square foot plus additional rent). Given the large scale of the 12.19-acre tract, a buyer may explore opportunities to lease or develop segments of the land.

Cypress Station Square has a strong lineup of diverse, internet-resistant tenants with staggered leases, including its anchors: Milan Institute, DaVita Dialysis, Hibbett Sports, Workforce Solutions, Pollo Campero, Dollar Tree, GNC, UPS Store, Cilantro Cocina, Rent-a-Tire, and more.

Information About Brokerage Services

11-03-2025

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A **BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
 - A **SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.
- A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):**
- Put the interests of the client above all others, including the broker's own interests;
 - Inform the client of any material information about the property or transaction received by the broker;
 - Answer the client's questions and present any offer to or counter-offer from the client; and
 - Treat all parties to a real estate transaction honestly and fairly.

WRITTEN AGREEMENTS ARE REQUIRED IN CERTAIN SITUATIONS: A license holder who performs brokerage activity for a prospective buyer of residential property must enter into a written agreement with the buyer before showing any residential property to the buyer or if no residential property will be shown, before presenting an offer on behalf of the buyer. This written agreement must contain specific information required by Texas law. For more information on these requirements, see section 1101.563 of the Texas Occupations Code. **Even if a written agreement is not required, to avoid disputes, all agreements between you and a broker should be in writing and clearly establish: (i) the broker's duties and responsibilities to you and your obligations under the agreement; and (ii) the amount or rate of compensation the broker will receive and how this amount is determined.**

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information

about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

A LICENSE HOLDER CAN SHOW PROPERTY TO A BUYER/TENANT WITHOUT REPRESENTING THE BUYER/TENANT IF:

- The broker has not agreed with the buyer/tenant, either orally or in writing, to represent the buyer/tenant;
- The broker is not otherwise acting as the buyer/tenant's agent at the time of showing the property;
- The broker does not provide the buyer/tenant options or advise regarding the property or real estate transactions generally; and
- The broker does not perform any other act of real estate brokerage for the buyer/tenant.
