2801 Welton Street underwent renovation in 2015-2016 to restore the building's historic architectural integrity, as well as renovate the interior to modern standards. The property is a contributing building to the **Five Points Historic Cultural District** and the renovations were completed under the oversight of the Denver Urban Renewal Authority. More than **\$1 Million** was allocated to the restoration - new HVAC units, improvements to structure and masonry, new windows and plumbing throughout.

The property is located **across the street** and **one block away** from the **27th & Welton RTD Light Rail L-Line Station**. The station provides easy access to and from the core of the Central Business District of Denver and the RTD system as a whole.

DENVER URBAN RENEWAL AUTHORITY TAX INCREMENT FINANCING (TIF)

Over \$1 million dollars was invested in the redevelopment of 2801 Welton. During 2015-2016, the ownership group/redeveloper partnered with the Denver Urban Renewal Authority (DURA) to finance a portion of the redevelopment costs through tax increment financing (TIF). This 2801 Welston TIF is projected to create property tax relief with a net present value of approximately \$320,000, which will be collected over the life of the TIF for the benefit of the future ownership group.

In the event a future buyer is interested, this TIF can be purchased separately.
