PROPERTY DESCRIPTION

Two separate residential parcels totaling 21.34± acres within Bakersfield city limits, positioned close to one another with only a single intervening parcel in between. Both are zoned R-1 (Single-Unit Dwelling Residential) under the City's Low-Density Residential (LR) General Plan designation, allowing 2.1 to 6 dwelling units per net acre depending on subdivision design.

The location is in the path of growth, surrounded by steady residential development and new subdivisions near Highway 178. With zoning, utilities, and city jurisdiction already in place, the properties are well-suited for a builder or investor looking to move forward with the tract map process and capture Bakersfield's expanding housing demand.

HIGHLIGHTS

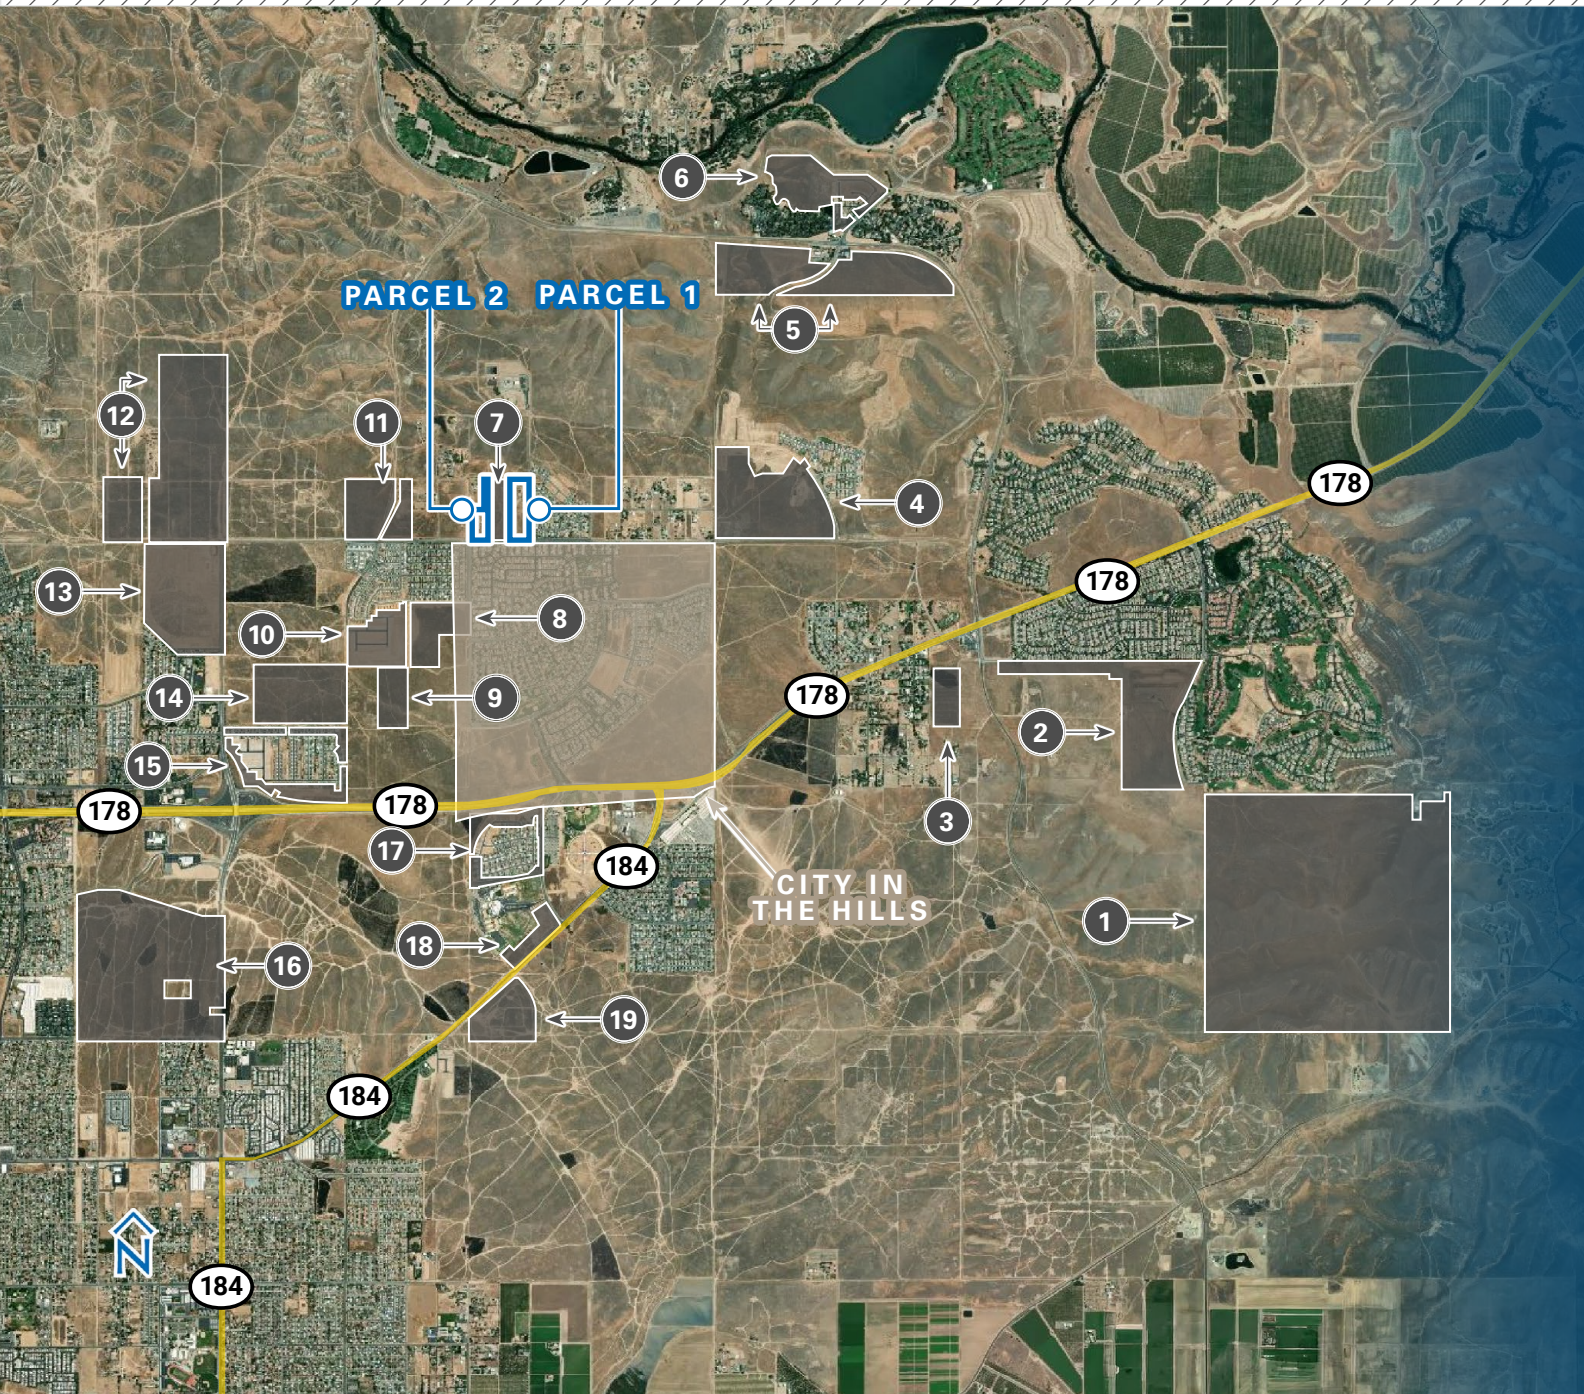

- 21.34± total acres across two separate parcels on Paladino Drive (*near Valley Lane and Vineland Drive*)
- Within Bakersfield city limits
- Density range: 2.1 – 6 units per net acre, depending on subdivision design
- Ready for tract map process with zoning and utilities in place
- Positioned in an area of steady residential growth, with new subdivisions underway near Highway 178
- Strong opportunity for a builder or investor to deliver much-needed housing in a growing Bakersfield submarket
