Pappajohn Sculpture Park

The John and Mary Pappajohn Sculpture Park features artwork by more than two dozen of the world's most celebrated artists. This accessible setting, coupled with the skilled landscape design and caliber of the art, makes it unlike any other sculpture park in the United States. The 4.4 acre park, located within a major crossroads of the urban grid, creates a pedestrian-friendly entryway to downtown Des Moines. The Pappajohns' contribution of more than 30 works for the park is the most significant donation of artwork ever made to the Des Moines Art Center.
