SUBJECT: Access To Property

Dear: Mr. ██████████

On January 21, 1997, you met with ██████████ our Drainage Coordinator, and asked that Orange County provide you with a letter stating that we will continue to let you use the canal bank for access to your property. We cannot block your access to your property and, by sending you this letter, we would like to assure you that we will not block your access in the future.

You also requested that we move the existing gate to the north and reinstall it adjacent to your property. We will do this in the near future.

Sincerely,

██████████
