

PROPERTY SUMMARY

PROPERTY DESCRIPTION

This is a rare opportunity to acquire a 35-unit multifamily portfolio located at NW 12th & Blackwelder in Oklahoma City, just a few blocks from the highly desirable Plaza District. The portfolio consists of newly built and recently renovated units with strong in-place performance, currently 94% occupied. The properties are contiguous, offering operational efficiency and a cohesive investment footprint. Notably, 9 of the units are live/work spaces, providing a unique mixed-use component that appeals to entrepreneurs and small business operators. With modern construction, strong occupancy, and a prime urban location in one of OKC's most dynamic submarkets, this asset is well-positioned for both stable cash flow and continued appreciation.

PROPERTY HIGHLIGHTS

- 35 total units in a single, contiguous portfolio
- Prime location near the Plaza District in Oklahoma City
- 97% occupancy with strong in-place income
- Mix of newly constructed and recently renovated units
