## LOCATION

Chessington Park Industrial Estate is located in an affluent pocket of SW London, close to the A3 dual carriageway linking with central London, and the M25 to the south. The scheme lies 1 mile to the south of the Tolworth roundabout junction of the A3 and the A240. Epsom is approx. 2 miles to the south with Wimbledon 5.5 miles to the north. Tolworth station lies 1 mile to the north and has services to London Waterloo, Wimbledon and West Chessington. The local area has a mixture of trade occupiers, food preparation/distribution businesses and last mile delivery occupiers.

The units benefit from being ¼ mile from the A3 which links to both the M25, (junction 9 -13 miles) and 15 miles to central London. Cox Lane in turn links indirectly to the A3 to the north and the A243 to the south. These two A roads provide direct links to the M25 at junctions 10 (6 miles) and junction 9 (5 miles) respectively.

The area is well serviced by local bus routes and Chessington North rail station which provides a direct service to London Waterloo with a journey time of approximately 35 minutes.
