PROPERTY DESCRIPTION

The property comprises two units constructed around a steel portal frame, with brick & blockwork elevations which have been partially overlaid, under a pitched roof incorporating approximately 10% roof lights.

The warehouse space benefits from a concrete floor, LED lighting and an eaves height of 5.5m. Unit 6 is configured with a toilet block and small first floor office space in the rear corner. There are 3 level loading access doors. There are 15 spaces demised along the side elevation, with additional parking to the front.

Unit 7/8 benefits from a larger office incorporating carpeted floors, single glazed windows and suspended ceiling grids with recessed lights, WC, kitchen, and amenity accommodation. Both units have separate three-phase power supplies.
