

Turn Key Office

Now available for lease at directly across from Town Hall and steps from the Longboat Key Club, this medical office opportunity offers a rare presence in one of Florida's most exclusive and supply-constrained markets.

Medical and professional office space on Longboat Key is exceptionally limited. The property sits at the heart of the island's civic core, adjacent to a large public park and near the Post Office and Tennis Center providing excellent accessibility, visibility, and convenience for patients and staff.

An ideal lease opportunity for a medical or professional user seeking a prestigious Longboat Key location with virtually no competing supply.
