Tenant Summary

Dollar General Capital Improvement Summary

The Property has undergone significant recent capital improvements in 2025, materially reducing near-term capital expenditure risk and enhancing overall asset quality.

- Full exterior repaint – \$8,630
- Replacement of two (2) HVAC units – \$14,964
- Roof re-fastened and minor repairs completed
- Brand new parking lot
- Upgraded parking lot lighting
- All new landscaping

In Summary, Dollar General lease is structured with strong expense reimbursements. The structure provides predictable income with limited landlord operating expense exposure. The recent parking lot replacement and lighting upgrades improved site functionality, visibility, and tenant durability, while HVAC replacements and roof servicing mitigate near-term mechanical and structural risk. These improvements substantially reduced deferred maintenance exposure and enhanced long-term asset stability.
