TABLE OF CONTENTS

An aerial photograph of a large residential complex, likely an apartment or townhome development. The complex features several multi-story buildings with brick and white siding, arranged around a central courtyard with a swimming pool. A large parking lot is visible in the foreground, and a multi-lane highway runs along the right side of the property. The surrounding area includes other commercial buildings and parking lots, suggesting a suburban or urban setting.

INVESTMENT HIGHLIGHTS

- **Below-Market Occupancy Creates Upside Potential:** With current occupancy at 58.6% , Shadow Creek offers a substantial lease-up opportunity for investors to stabilize operations and significantly increase NOI.
- **One of the Newer Assets in Lufkin:** Built in 2000 & 2012, Shadow Creek is newer than most multifamily properties in Lufkin, where the majority of inventory was constructed prior to 2000. This positions the asset favorably in terms of long-term durability and appeal once renovated.
- **Strong Market Demand & Rent Growth:** According to ALN Apartment Data, the Lufkin multifamily market maintains average occupancy of approximately 90.8%, demonstrating durable rental demand. Additionally, asking rents across the market have increased nearly 5 percent since 2024, supporting continued revenue growth through lease-up and rent optimization.
- **Strong Location Near Major Demand Drivers:** The property benefits from close proximity to Loop 287, providing convenient access throughout Lufkin. It is also located less than one mile from Angelina College and near South First Street's retail and dining corridor.
- **Steady Economic Base:** Lufkin's economy is supported by healthcare, manufacturing, and retail, offering a stable foundation for rental demand. The area's growing population and community-oriented environment support long-term tenant retention.
- **Diversified Unit Mix:** A balanced offering of one, two, and three-bedroom floor plans captures broad renter demand from students, young professionals, families, and healthcare workers, supporting higher absorption during lease-up.

EXECUTIVE SUMMARY

GLA: 190,230 sf

OF UNITS: 222

OCCUPANCY: 58.6%

YEAR BUILT: 2000

Newer construction than majority of market

Close proximity to Angelina College; 5,900+ students enrolled

Lufkin multifamily market maintains occupancy of 90.8%

Shadow Creek I & II are a 222-unit, garden-style multifamily community located at 2807 Daniel McCall Drive in Lufkin, Texas. The property consists of **eight residential buildings in two phases** separated by Daniel McCall Drive: **Phase I was constructed in 2000** with 138 units, and **Phase II was built in 2012** and consists of 84 units. Currently **58.6% occupied**, the property offers a well-balanced mix of one, two, and three-bedroom floor plans designed to serve a broad renter demographic. Community amenities include a clubhouse, business center, fitness center, coffee concierge, swimming pool, laundry facility, pet play area, picnic and grilling areas, and a playground, creating a fully equipped living environment for residents.

Shadow Creek represents one of the newer vintage multifamily communities within the Lufkin market, where the majority of competing properties were developed prior to 2000. According to ALN Apartment Data, the overall Lufkin multifamily market maintains an average occupancy of approximately 90.8%, proving strong underlying rental demand. Shadow Creek’s average effective rent of \$1,132 exceeds the market average of \$995, and asking rents have increased nearly 5% since 2024. **The current occupancy of 58.6% provides an immediate opportunity for a new owner to execute a lease-up and stabilization strategy in a high-occupancy market, driving organic revenue growth through operations.**

The property is conveniently located just south of downtown Lufkin with direct access to Loop 287 and close proximity to Angelina College, which serves approximately 5,927 students. Residents benefit from nearby daily retail, dining, and service options along South First Street, as well as efficient connectivity throughout the city.

Lufkin serves as the commercial and healthcare hub of East Texas and features a stable and diversified employment base supported by healthcare systems, manufacturing facilities, and regional retail. Major employers include multiple medical centers and manufacturing plants specializing in paper products and metal fabrication. The Lufkin MSA is home to approximately 90,000 residents and is characterized by steady population growth, strong community fundamentals, and consistent housing demand, creating a durable backdrop for long-term multifamily investment performance.
