Simplify Your Storage Experience

Secure storage, convenient access, and premium amenities: your new home base is ready and waiting for you.

Hear From Our Customers

The storage area is clean, easy to access for registered customers, and has amenities that other storage facilities don't offer. We're very happy!

GAIL

Amazing facility, leaps and bounds above other self storage facilities — especially for large vehicle parking. There's nothing like it for truck or RV storage in the area.

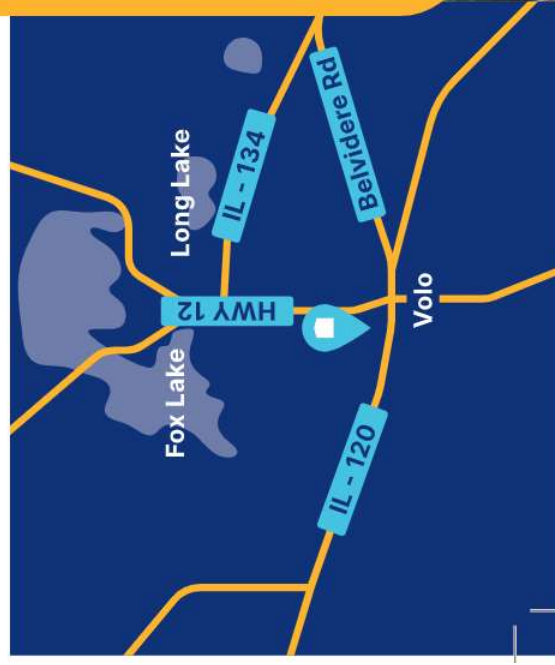

— NOAH

Premium Storage in Lake County

Outrig was born out of the desire to make RV ownership easy. We offer safe, clean, and secure storage with the amenities you want and need in locations across the country.

Our Lake County facility offers luxury storage in the famous "Chain O' Lakes" area of Northern Illinois. We're directly off Highway 12 and just north of the Volo Museum.

Unit Types

Enclosed Space

Maximum security and protection from the elements. Units with power are available.

Covered Parking

Protection from sun, rain, and snow to preserve your vehicle's exterior and extend its lifespan.

Open Parking

Affordable and convenient outdoor parking for vehicles of all sizes.

Climate-Controlled Self-Storage

Climate-controlled indoor storage units protect your belongings from extreme temperatures.

Drive-up Self-Storage

Easy-access units make loading or unloading a breeze. Units with power are available.

Features & Amenities

Fenced & Gated

Your space is always protected from unauthorized access.

Security Cameras

Over 100 security cameras enhance your security, and give you peace of mind.

Night Lighting

Bright, strategically placed lighting increases visibility and enhances safety across the facility.

Mobile App for Gate Access

Enter and exit the facility without needing to step out of your vehicle.

Electricity

Hookups keep RV batteries charged and let you power up small appliances, or other essentials.

Dump Station

Conveniently dispose of waste, ensuring your RV is ready for storage or your next journey.

Tire Air Station

Conveniently maintain proper tire pressure with our on-site air station.

Vacuum

Any good RV trip ends with some crumbs. Clean up and get your RV ready to store.
