LOCATION

The site occupies a prominent position fronting the A679 Blackburn Road close to its junction with Henry Street and Market Street (B6231) in the centre of Church. The site is approximately one mile from Junction 7 of the M65 motorway and three-quarters of a mile from Accrington Town Centre. The surrounding area is mixed commercial including industrial, modern housing developments and traditional terraced housing. The neighbourhood shopping area of Church is within a few minutes' walking distance.

DESCRIPTION

The site identified on the aerial photograph by the red line is 1.57 acres gross (0.635 hectares) at Commercial Street (Title Number LAN 125884). The parcel of land is flat and has been left to grow naturally and is overgrown.

A second site is in separate ownership and shown on the aerial photograph by the blue line. This site (Title Number LAN 77442) is approximately 0.13 acres (0.053 hectares). The owner is known to the Council and is keen to dispose of the site and therefore presents an opportunity for a wider development opportunity. This would be a separate sale and interested parties would have to liaise directly with this site owner. The Council have permission to introduce interested parties to the site owner.

SERVICES

We are advised that all mains services are available to the site. However, we recommend interested parties make their own separate enquiries in this regard, particularly in relation to capacity.

TENURE

The site is a combination of two registered titles as follows:

LAN 125884 – Freehold.

LAN 77442 - Long leasehold for 999 years.

PLANNING

We understand from the Local Authority that the site was subject to housing clearance and is not allocated for use within the local plan. Due to the high prominence of the site we understand the Local Authority would give consideration to uses including Retail, Leisure and Industrial/Trade Park. Consideration would also be given to mixed use schemes.

Hyndburn Borough Council have requested that specific planning enquiries be directed to their Planning Department directly who may initially be contacted on 01254 388111.

METHOD OF DISPOSAL

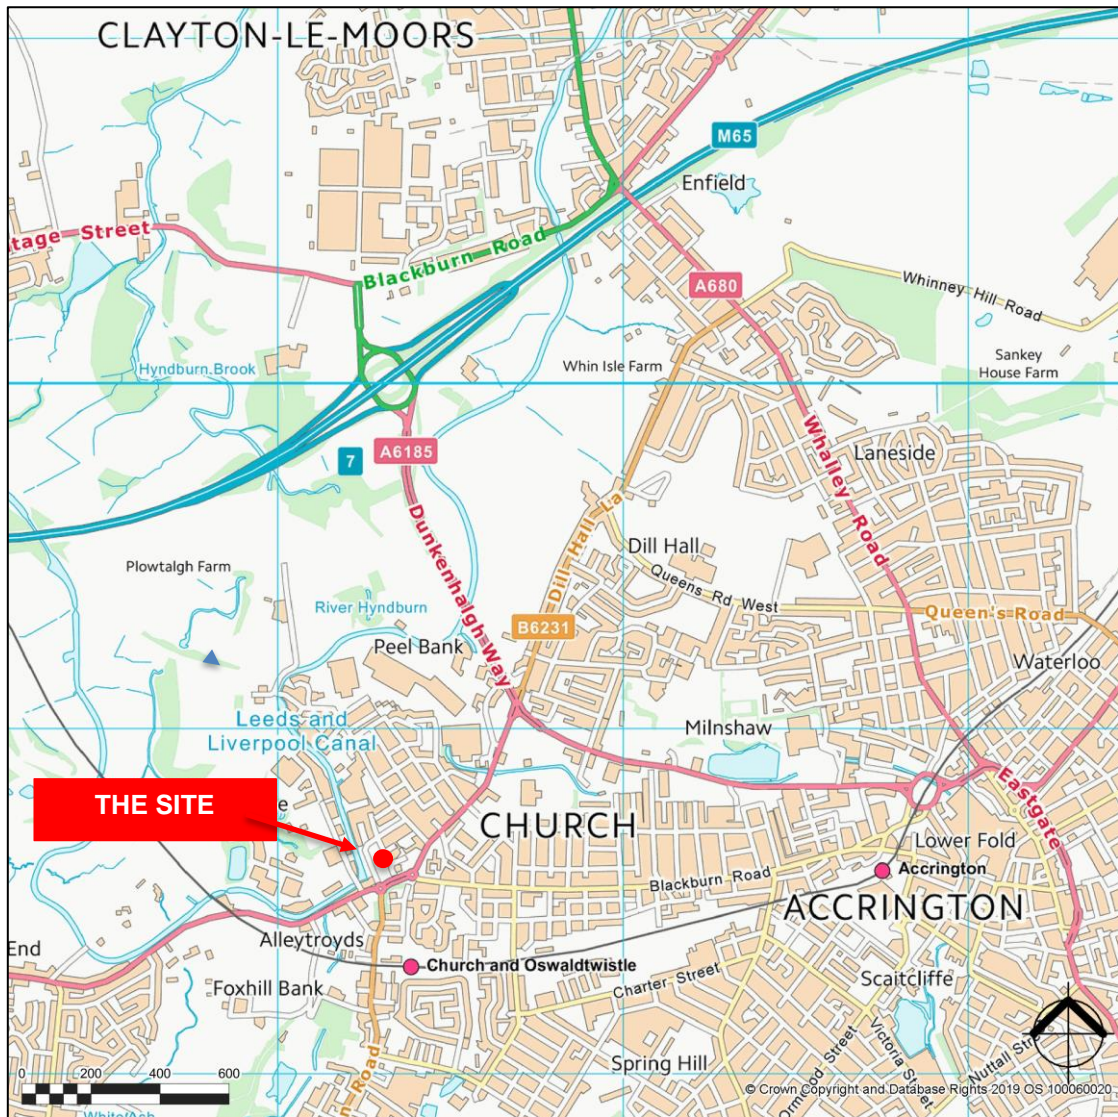

Our client will give consideration to offers, preferably on an unconditional basis, with an indication as to the intended end use.

PROFESSIONAL FEES

The successful purchaser will be responsible for the vendor's costs of 1.5% of the purchase price in respect of legal costs and 1.5% of the purchase price in respect of surveyors fees (subject to a minimum of £3,000 each) associated with this sale).
