

Twin Palms Estate

2319-2333 Durfee Avenue, El Monte, CA 91732

SALE

\$5,100,000

18-Unit Mixed-Use fully occupied income producing property — a rare opportunity for income investors and developers

The property is zoned MMU (Mixed/Multi-Use), one of El Monte's most progressive and flexible zoning designations. MMU zoning is specifically designed to encourage the integration of residential and commercial uses along major corridors, providing "by-right" opportunities for new housing, retail, office, and community-serving facilities. The zoning allows for densities up to 35 units per acre, building heights up to four stories (50 feet), offering substantial redevelopment potential for the site.
