Strategically positioned in a well established industrial corridor, **Carson Bay10** offers a prime location approximately 30 miles east of downtown Houston. This positioning provides direct access to the Grand Parkway and close proximity to I-10, enabling seamless connectivity to Houston's Ship Channel, Port of Houston, and major petrochemical facilities. The area benefits from a robust energy sector workforce and established infrastructure supporting the region's extensive petrochemical and logistics operations, making it an ideal location for industrial and distribution activities serving the greater Houston market.
