

Business Opportunity: Jim Thomas Auto Salvage & Wrecker – A Legacy Operation

Serving Oklahoma since 1975

Overview:

Rare opportunity to acquire a well-established, multi-generational business with a rock-solid reputation in the industry. As the 14th oldest wrecker service in Oklahoma, Jim Thomas Auto Salvage & Wrecker offers a turnkey operation with significant potential for growth. Located on ±9 acres outside city limits, this property provides ample space for expansion and operations without the constraints of city zoning.

Key Highlights:

- **Established Legacy:** Operating since 1975 with deep community roots and a proven track record of reliability.
- **Prime Compliance:** Holds a clean, perfect D.E.Q. permit—a vital asset in this industry.
- **Strategic Location:** Situated on ±9 acres outside city limits. Includes both office and residential space on-site.
- **Robust Contracts & Relationships:**
 - Active FedEx contracts.
 - Strong working relationships with multiple local police departments.
 - Exclusive provider for all City of Tuttle municipal vehicles.
- **Infrastructure:** Two fully functional shops on-site.
- **Unique Value-Add:** Property access offers potential opportunities to utilize local rail infrastructure for large-scale vehicle hauling/shipping.
- **Inventory:** Includes 300+ salvage cars included with the sale.

Included Equipment Inventory:
