PROPERTY DESCRIPTION

This 54,871 SF warehouse with 6 acres is in an easy access location at the center of Dalton. This building benefits from a masonry construction, a Newer TPO roof that had 3 sections replaced a year ago, 1,200 amps of power, and 14 docks.

Because of its length, the 14 dock doors and 11 restrooms have been spread out through the building to allow for different staging areas or shift workers to stay in the same area. Three of the dock doors are recessed into the building 21' to allow for more clearance to the road. (See floor plan picture)

This also opens the building to great potential as a multi tenant building and plenty of parking. The two vacant lots across the street have a gravel parking lot base, but the grass has grown over it through the years.

Leasing options can be short term if needed depending on use and location in the building.

A long term lease has been signed at \$5 Gross per sf for Suite G with 3,840 SF. Suite G has its own electric meter. The building is currently owner occupied and will be vacant at sale other than the suite G lease.
