FIRESTONE TIRE AND RUBBER COMPANY is an American Tire company founded by Harvey Firestone in 1900 initially to supply solid rubber side wire tires for fire apparatus, and later, pneumatic tires for wagons, buggies, and other forms of wheeled transportation common in the era. Firestone soon saw the huge potential for marketing tires for automobiles and the company was a pioneer in the mass production of tires. Harvey Firestone had a personal friendship with Henry Ford and used this to become the original equipment supplier of Ford Motor Company automobiles and was also active in the replacement market.

BRIDGESTONE CORPORATION is a Japanese multinational auto and truck parts manufacturer founded in 1931. The company is the largest manufacturer of tires in the world, following by Michelin, Goodyear (United States), Continental (Germany), and Pirelli (Italy). Bridgestone acquired Firestone Tire and Rubber Company in 1988. As of May 2020, Bridgestone Group had 130 production facilities in 150 countries. The company produced revenues of \$29.53 billion and a net income of \$3.59 billion for 2021.

Located in the heart of Central Florida, Ocala is known for its rolling green pastures, majestic oak trees draped in Spanish moss, and a deep-rooted equestrian culture that has earned it the nickname “Horse Capital of the World.” Surrounded by scenic countryside and natural springs, Ocala offers a quieter, more relaxed pace of life compared to Florida’s coastal cities, while still providing easy access to major destinations like Orlando and Gainesville.

The area is rich in outdoor recreation, with nearby highlights like Ocala National Forest—one of the largest sand pine forests in the world—offering opportunities for hiking, camping, and exploring crystal-clear springs such as Silver Springs State Park. Ocala’s historic downtown features charming brick streets, local shops, and a growing dining scene, blending small-town character with modern amenities.

With a mix of rural beauty, equestrian prestige, and convenient location, Ocala appeals to those seeking both tranquility and accessibility in the Sunshine State.
