EXECUTIVE SUMMARY

Rare Leasing Opportunity at Bethany Business Park – Available Immediately

Take advantage of a rare opportunity to establish your business in **Bethany Business Park**, one of Northwest Oklahoma City's premier Class A office developments. With the park reaching **100% occupancy in 2024** shortly after its new construction completion in late 2023, these upcoming vacancies offer one of the few opportunities to lease space in this highly sought-after professional business community within the Bethany City Limits. Designed with today's professional office user in mind, Bethany Business Park features contemporary architecture, high-end Class A finishes, abundant natural light, attractive landscaping, and efficient floor plans that create a professional and welcoming work environment. Ample on-site parking provides convenience for both employees and clients.

Ideally located on Council Road just south of Historic Route 66 (NW 39th Expressway), the property offers excellent accessibility to Northwest Oklahoma, Yukon, & Mustang. Join one of Northwest Oklahoma City's most successful professional office developments—where quality, convenience, and a prestigious business environment come together.
