LOCATION & DEMAND DRIVERS

Section 8 strength. Miami-Dade is the 2nd most expensive Fair Market Rent county in Florida (HUD FY2026). Large 5-bedroom voucher units are scarce, which supports these rents and keeps turnover low.

Growth corridor. Princeton (~21,800 residents, Redfin 2026) is among the faster-growing parts of the county as buyers move south from central Miami.

Cauley Square Historic Village. A short drive away: a 10-acre village (est. 1903) of boutiques, galleries and restaurants including the Tea Room — a genuine local draw. (Source: Miami & Beaches; Miami New Times, 2024.)

Access. South Dade corridor near US-1, the Turnpike extension and the South Dade TransitWay bus rapid transit.
