Executive Summary

Gandhi Commercial is proud to present a fully renovated, three-level landmark mixed-use asset located on Montrose Street in the heart of downtown Clermont. The property offers approximately 11,101 SF of gross building area on 0.51 acres, with an on-site parking lot accommodating ± 19 vehicles. Major renovations were completed between 2024 and 2025, delivering a turnkey investment with multiple income streams.

The asset is anchored by a full-service restaurant and bar concept operating across two levels, including a premium steakhouse and a speakeasy-style lounge. The basement (1,911 SF) features “The Club at Crafted,” a 40-seat speakeasy-style bar, while the first floor (4,318 SF) houses “Crafted,” a 120-seat steakhouse with a full-service bar and an additional 24-seat outdoor patio. The second floor (2,940 SF) consists of four fully renovated 1-bedroom, 1-bath residential units, providing consistent supplemental rental income.

The business is currently generating approximately \$80,000 per month in gross revenue, complemented by \$5,920 per month in residential rental income, offering diversified cash flow. The property supports beer, wine, and liquor sales, making it well-positioned for continued restaurant operations or repositioning under a new concept.

Extensive recent improvements include full interior renovations across all residential units, a redesign of the restaurant and bar areas with upgraded finishes and fixtures, and a total buildout of the speakeasy lounge. The commercial kitchen has been upgraded with new plumbing, electrical systems, and equipment, and has successfully passed multiple health inspections. Additionally, the building has undergone major system upgrades, including new HVAC systems, updated electrical and plumbing infrastructure, and a professionally sealed roof with a five-year warranty.

This is a rare opportunity to acquire a stabilized, income-producing mixed-use property in one of Central Florida’s fastest-growing downtown markets. The asset is ideal for an owner-operator seeking an established restaurant business or an investor looking to capitalize on a well-located property with in-place income and future upside.

Business Summary

Business Summary: Crafted - Fine Dine Steakhouse

Crafted is a premier fine dining steakhouse located in the heart of Clermont. Known for its exquisite menu, the restaurant offers a diverse range of high-quality steaks and gourmet dishes, appealing to discerning palates. With strategic operating hours, Crafted maximizes peak dining times, opening for dinner Wednesday through Friday and offering extended hours on weekends for brunch and dinner service. This schedule not only optimizes staffing efficiency but also targets high-revenue periods effectively.

Revenue is generated through multiple streams, including dine-in services, a well-curated bar menu, and a membership club that offers exclusive dining experiences. The bar complements the dining experience with a selection of fine wines and craft cocktails, enhancing customer satisfaction and increasing per-visit revenue. The membership club provides a recurring revenue model, fostering customer loyalty and ensuring a steady clientele base.

Crafted's competitive advantage lies in its superior product offerings and exceptional customer service, positioning it as a leading dining destination in the region. Its prime location and established brand reputation make it a compelling acquisition target for investors seeking a profitable venture in the hospitality sector. The restaurant's consistent performance and growth potential underscore its strong market position.

Demographic Summary

Clermont has been one of the fastest-growing markets in Central Florida, with the city's population more than doubling over the past decade, while the broader 34711 ZIP code now exceeds 60,000 residents and is projected to surpass 80,000 by 2030. Median household income is approximately \$80,000–\$85,000, with average household income exceeding \$100,000, supporting strong discretionary spending. Growth is being driven by significant ongoing development, including the Olympus Project, a large-scale mixed-use sports and wellness district, along with continued expansion along the Wellness Way corridor. Additional master-planned communities delivering thousands of new residential units, the nearby Hills Town Center mixed-use development, and a new AdventHealth hospital in Minneola are further increasing population density and daytime traffic. Infrastructure improvements, including the SR-516 connection to State Road 429, are enhancing regional accessibility. These factors continue to drive demand for retail, dining, and entertainment uses, positioning downtown Clermont as a high-growth submarket within the Orlando MSA.
