Demographic Highlights

Linden: Hub of Activity & Growth

\$Household Income

- With a 2020 population of 42,297, Linden is the 20th largest city in New Jersey and the 918th largest city in the United States. Median household income grew from \$66,538 to \$68,870, a 3.5% increase.
- Linden's median annual income of \$68,870 is more than the median annual income of \$61,937 across the entire United States.

Business Environment

- The east side of Linden is located along the Arthur Kill, a navigable strait and an important role in bulk cargo transportation in the Port of New York and New Jersey.
- Linden is home to the Bayway Refinery, a Phillips 66 refining facility that helps supply petroleum-based products to the New York/New Jersey area.
- Linden, together with Rahway, is home to Merck & Co., one of the world's leading pharmaceutical companies.

- Linden Station Apartments will offer 234 units, consisting of studio, one- and two-bedroom residences.
- Linden Logistics Center is a 4.1 million-square-foot industrial park in Linden, located south of Newark.
- Blue Sapphire Self Storage units opened in nearby Rahway in January 2021.
