Accommodation

Description

Formerly a timber works, the accommodation is arranged as a series of interlinked industrial bays of steel portal frame construction, with part brick blockwork elevations beneath a pitched roof incorporating translucent light panels. In addition, there are ground and first floor offices, a reception area, and a modern steel framed single-storey showroom / trade counter area with glazed and clad elevations. The premises also benefits from a covered loading bay at the south elevation. Externally, the premises sits within a self contained, gated and permitter fenced yard, providing ample car parking, circulation and general security.

The property could be suitable for alternative use redevelopment, subject to planning.

Services

We are advised that all main services are connected to the premises. We confirm that we have not tested any of the service installations and any occupier must satisfy themselves independently as to the state and condition of such items.
